

Young people's mental health and alcohol and other drug use: priorities for action 2020-2025 (YPPA)

Below is a list of reports, reviews, strategies and other relevant documents that were considered as part of the development of the YPPA (it is not an exhaustive list). The below, along with newly released documents, will continue to be considered during implementation planning. Additional references can be found in the Reference section of the Supporting Paper.
