PROFESSIONAL HELP IS JUST A PHONE CALL AWAY.

The Meth Helpline offers free, professional drug counselling and support.

Our counsellors can:

- Provide information about meth
- Listen to what is going on for you
- Provide emotional support
- Discuss treatment options
- Refer you to local services that can provide ongoing support.

We can also provide:

- Interim support to people waiting for face to face counselling
- A free ongoing call back service to isolated people
- Support to health professionals working with people impacted by meth use.
