

Resources for Clients Considering Opioid Treatment Publication Order Form

Please complete this order form for hard copies of the following publications.

Image	Description	Quantity
	Your Options Pack - We All Depend on Good Information: 24 pages 18cm x 18cm. This booklet is aimed at providing opioid dependent clients with information regarding the full range of treatment options including rehabilitation, detoxification, opioid replacement therapy, and naltrexone treatment.	
	Self Help Guide - 60 pages A5. This booklet encourages clients to think about their drug and alcohol use and possible harms. The guide assists clients to examine reasons to reduce or stop using and provides tips on dealing with cravings and high risk situations. It includes information about managing emotions, changing the way you think, and improving problem solving and assertion skills.	
	Dental Care in Opiate Treatment - 6 pages DL. This brochure provides information for clients in opiate treatment to better manage their dental care.	
	Is Someone You Care About Seeking Treatment for Heroin or Other Opiate Use? - 20 pages A5. This booklet covers information about opioids and opioid dependence, the risks of opioid use, treatment options, and supporting someone in treatment.
